Product: Buckingham Dining Set | 6 Chairs

Model : FixedBuck

Manufacturer : Oakleigh Range

The rich medium oak colour of this handsome dining set will compliment the decor of any traditional or contemporary style room.

A traditional oak dining table that is suitable for all occasions and will look at home amongst any type of decor. Simple and practical, but very well made and beautifully finished, it has decorative chair tops, carefully turned legs and two strong pedestal supports – it would almost be a shame to cover up with a table cloth.

Sharing a good meal together with friends and family is one of life's greatest pleasures and nowhere is this more enjoyable than in a relaxed country setting. A large farmhouse style table is the centrepiece of the Buckingham dining set surrounded by six comfortable high back chairs. A delicate carving to the top rail of the chairs provides just the right finishing touch. All that's missing is a top recipe from Nigella and a few of your favourite friends around!!
