## Product: Norfolk Light Honey Drop Dining Set

Model : NorfolkLHone

Manufacturer : -

This superbly light honey finished four seater dining set is a versatile addition dining room to any home with easy drop leaf on either side and four tastefully cream seat upholstered chairs. This dining set can provide you a capability to be accommodated in very little space, thus saving your space. If you're planning on throwing a swanky dinner party, don't forget the key ingredient, a stylish dining set! No matter how good your culinary and conversational skills are, if your dining set's not up to scratch then guests might leave with a sour taste in their mouths!

The Norfolk drop leaf dining set is the ideal solution, combining a light honey finish with a classic rustic design, to eye catching effect. The set is completed by four comfortable dining chairs with cream upholstery.

Finish: Light honey and cream upholstery.

Size: Diameter: 107cm when extended.

Please note: this set requires some assembly.
