The Mexican influence in the design and style creates a range of furniture that would be at home in a variety of settings. All items in Maya bedroom Sets are stained to reproduce the classic look of Mexican pine furniture with the wood being protected by a light wax. Metal fittings are used throughout this range and only further compliment the looks of this stylish furniture.

The simplest things are often the most effective, and the Maya range of bedroom furniture is no exception! Its understated design will lend itself to any contemporary or traditional decor, while the attractive distressed pine finish and solid practicality means you could soon be furnishing your whole room with pieces from this stunning range!

Featuring a host of storage options, the pieces in the Maya bedroom set will have your room looking clean, fresh and organised in no time! The bedside chest offers three drawers and a generous top surface for all those night-time essentials, while its bigger brother benefits from 4 wide drawers for larger items in need of a permanent home.

More than ample hanging space ensures the Maya 2 door wardrobe can easily look after your clothes, with the understated black metal handles adding the perfect finishing touch to this stylish yet practical range of bedroom furniture.
